
2017 - Adventure Bound Camping Resort – abgatlinburg.com - *31th Season*

Families are bound for adventure with fun Jack Tales. Appalachian settlers brought these folk stories to America and adapted them to the mountains. Since 1987, Lew Bolton, supported by this campground, has nurtured this cultural heritage as **Smoky Mountain Jack Tales.** They are presented as interactive Storytelling Theater, in which youth and adults can take part. The 2017 Season features popular Jack Tales performances. And new this year – **Tales** and **Tunes**.
Smoky Mountain Jack Tales of Winter and Old Christmas contains 21 read-aloud stories.
